

In accordance with the provisions of Articles 12 and 78 of the Law on Associations (Official Gazette RS, No. 51/09) and Article 16 of the current Statute, at the Extraordinary Assembly of the Association "European Movement in Serbia - Leskovac" held on May 19, 2018 in the PKS Regional Chamber of Commerce of Jablanica and Pcinja Administrative District in Leskovac, Stojana Ljubica 12, Leskovac, was adopted - in the consolidated text - the following amended and supplemented

STATUTE

I GENERAL PROVISIONS

Article 1

Association "European Movement in Serbia - Leskovac" (hereinafter: Association) is an independent and voluntary association of citizens established for an indefinite period as a non-profit, non-governmental and non-party organization.

Article 2

The name of the Association is: European Movement in Serbia - Leskovac.

The abbreviated name of the Association is EMinS Leskovac.

Article 3

The Association has its head office in Leskovac, Stojana Ljubica Street 12/6.

Article 4

Association achieves its goals in the area of local sustainable development and acts on the territory of Serbia.

Article 5

The association has a circular seal and is written on the periphery by Cyrillic "EUROPEAN MOVEENT IN SERBIA - LESKOVAC", and in the central part of the seal, also by Cyrillic, the word "EPuS" is written on the diagonal.

II VISION, MISSION, OBJECTIVES AND OPERATION OF THE ASSOCIATION

Article 6

Members of the Association are gathered by a shared vision based on individuality, personal freedom, proactivity, innovation and reciprocity, as the fundamental values on which they form a society in which the life prospects of anyone are as large as possible.

The key challenges to which the members of the Association give an answer are:

1. To release the potential of an individual in conditions of systemic transition.

2. To build a globally competitive local environment.
3. To build local capacities which provide the benefits of accession negotiations and the country's membership in the EU.

Article 7

The mission of the association is to provide the best support to social actors in the liberation, promotion and realization of the individual's development potential at the local level.

Members of the Association are directed towards meeting the need for freedom, competence, connectivity and entertainment.

Members of the association create value for their users by developing and realizing a set of:
a) primary activities - service design, knowledge management, delivery management, evaluation and dissemination and clustering; and b) auxiliary activities - infrastructure, human resources, information and design.

Article 8

The goals of the association are:

1. To influence that the potential of young people, ie. of the coming generations, understands, improves and realizes as the greatest strength of local development dynamism based on the development approach to young people, especially to youth entrepreneurship.
2. To contribute to the existing tendency of people for the implementation of universal rules of behavior (respect for others', freedom of decision-making, responsibility for commitments), market coordination, democratization, community openness and the development of a culture of diversity effect into the globally attractive local life.
3. To contribute to the broadest affirmation and consistent application of universal, human principles of freedom, justice, fundamental human rights, including gender equality and non-discrimination, morality and democracy, and on that basis, establish a democratic rule of law and full protection of human rights and rights of national minorities in Serbia.
4. To promote the vitality of the European value framework through the contribution to the process of Serbia's accession to the EU, identifying and maximizing local benefits from this process, especially from the aspect of decentralization and regionalization, establishing local ownership on relevant concepts, approaches, contents and practices from the EU, as well as through presentation of development potential of Leskovac from the time of its europeanization as "Serbian Manchester".
5. Build the possibilities of modern, global development trends ("entrepreneurial society", "knowledge society", "information society", "creative economy", "green economy" etc) into local life and realize them.
6. To dynamize inclusive development, in particular by advocating the development of the social economy, improving relevant public policies and practical action in the field of women's entrepreneurship and employment of long-term unemployed, persons with disabilities and Roma, and improving the quality of life of vulnerable and marginalized groups, including those suffering from the most serious diseases, old and exhausted.
7. To contribute to the improvement of the education system in Serbia, especially through the development of non-formal education.

8. To contribute to the promotion of health as a multidimensional phenomenon which implies the establishment of a dynamic balance in the physical, mental and social integration of the individual and his environment.
9. To contribute to sustainable spatial development, as a concept that aligns both social and economic requirements within a territory with its ecological and cultural functions, strengthens local and regional democracy and enhances social and territorial cohesion.
10. To contribute to preserving the biological balance through the prevention of environmental threats, i.e. providing a healthy environment as a basis for the preservation of human existence, the healthy development of society and an important factor in the quality of life of each individual.
11. To develop and activate the potentials of the "Activator" cluster.

Article 9

In order to achieve the stated goals, the Association will carry out the following activities:

1. Capacity building - human, organizational and institutional.
2. Public advocacy of relevant concepts, approaches, contents, models.
3. Non-formal education activities.
4. Research activities.
5. Information activities, including e-information to the public.
6. Promotional activities.
7. Activities of psycho-social support to vulnerable and marginalized groups.
8. Development and implementation of entrepreneurship training programs, professional practice and mentoring / coaching, as well as other necessary non-formal education programs.
9. Transfer of knowledge, especially in the interactive mode (workshops, interactive lectures, discussion groups, etc.), directly and in electronic form.
10. Organizing public events - press conferences, meetings, info-sessions, panels, panels, round tables, debates, promotion, consultations, seminars, conferences and other forms of informing and involving social actors in the public decision-making process.
11. Printing and publishing relevant (professional, 'policy', informative, affirmative, promotional) contents, including e-production.
12. Lobbying in the process of innovating public policies.
13. Mediation in transforming relevant needs in demand (for services of entrepreneurial support, monitoring of reform changes, etc).
14. Connecting and networking individuals, groups and institutions, both nationally and abroad.
15. Organizing cultural and artistic events.
16. Designing, developing and participating in the functioning of innovative organizational mechanisms in the form of multisectoral strategic partnerships, consortia, associations, movements, clusters, collaborative groups, networks, including activities within NEMinS.
17. Managing the cluster «Activator» as a management organization.

Article 10

The association establishes contacts and cooperates with other associations and organizations in the country and abroad, especially with the European Movement in Serbia.

The association can join international associations with similar goals, as decided by the Assembly, with the prior written consent of the European Movement in Serbi

III MEMBERSHIP

Article 11

Members of the Association may be domestic and foreign legal and natural persons who accept the goals and Statute of the association.

The decision on admission to membership is made by the Executive Board within the recommendations of two members of the Association.
